Overture II

LIFESTYLEENCLOSURES

Discover the power of design

Overture II is the updated version of Antec's classic, timeless enclosure design for high-performance media center systems. With its elegant finish, blue LED illumination and chrome accents, Overture II blends gracefully into any living space. Its customized 450 Watt SmartPower 2.0 ATX12V 2.01 power supply delivers astonishingly quiet operation, and its enhanced cooling features will support the hottest CPUs on the market. Welcome Overture II into your living room, TV room, or wherever you need a little peace and quiet.
